Department of the Treasury
2013-2014 Priority Guidance Plan

Joint Statement by:

Mark J. Mazur
Assistant Secretary (Tax Policy)
U.S. Department of the Treasury

Daniel I. Werfel
Acting Commissioner
Internal Revenue Service

William J. Wilkins
Chief Counsel
Internal Revenue Service

We are pleased to announce the release of the 2013–2014 Priority Guidance Plan.

In Notice 2013-22, we solicited suggestions from all interested parties, including taxpayers, tax practitioners, and industry groups. We recognize the importance of public input to formulate a Priority Guidance Plan that focuses resources on guidance items that are most important to taxpayers and tax administration.

The 2013–2014 Priority Guidance Plan contains 324 projects that are priorities for allocation of the resources of our offices during the twelve-month period from July 2013 through June 2014 (the plan year). The plan represents projects we intend to work on actively during the plan year and does not place any deadline on completion of projects. Projects on the 2013–2014 plan will provide guidance on a variety of issues important to individuals and businesses, including international taxation, health care, and implementation of legislative changes. Some projects that were on the 2012-2013 Priority Guidance Plan have not been included on the 2013-2014 plan because they are no longer considered priorities for purposes of allocating resources during the 2013-2014 plan year. Some of those projects may be considered for inclusion on a future Priority Guidance Plan.

In addition to the items on the 2013–2014 plan, the Appendix lists the more routine guidance that is generally published each year.

We intend to update and republish the 2013–2014 plan during the plan year to reflect additional items that have become priorities and guidance that we have published during the plan year. The periodic updates allow us flexibility throughout the plan year to consider comments received from taxpayers and tax practitioners relating to additional projects and to respond to developments arising during the plan year.

The published guidance process can be fully successful only if we have the benefit of the insight and experience of taxpayers and practitioners who must apply the rules. Therefore, we invite the public to continue to provide us with their comments and suggestions as we write guidance throughout the plan year.

Additional copies of the 2013–2014 Priority Guidance Plan can be obtained from the IRS website at <http://www.irs.gov/uac/Priority-Guidance-Plan>. Copies can also be obtained by calling Treasury’s Office of Public Affairs at (202) 622-2960.
