[6] Estimate includes the following budget effects:

^[12] Applies to the "Mississippi River Delta flood area" defined as the area with respect to which a major disaster has been declared by the President under section 401 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act before March 31, 2016, by reason of severe flooding occurring in Louisiana, Texas, and Mississippi during March of 2016, or before September 3, 2016, by reason of severe flooding occurring in Louisiana during August of 2016.

^[13] Effective for information provided before, on, or after the date of enactment with respect to which a final determination has not been made before such date.

Footnotes for Table JCX-59-17 continued:

- [14] The expansion of the threshold allowing the use of the cash method, the creation of an exemption from the requirement to use inventories, and the expansion of the exception from the uniform capitalization rules are effective for taxable years beginning after December 31, 2017. The expansion of the exception from the requirement to use the percentage of completion method is effective for contracts entered into after December 31, 2017, in taxable years ending after such date. The threshold applicable to each provision is indexed for inflation for taxable years beginning after December 31, 2018.
- [15] Estimate contains interaction with the section 179 expansion in II.C.1.
- [16] Estimate includes the following provisions: for nonresidential real property, reduce the applicable recovery period to 25 years from 39 years; for residential rental property, reduce the applicable recovery period to 25 years from 15 years; for qualified improvement property, reduce the applicable recovery period to 10 years from 15 years.

- [23] Generally, taxable years beginning after December 31, 2016. The deduction for contributions to a Settlement Trust is effective for taxable years for which the Native Corporation's refund statute of limitations period has not expired, with a one-year waiver of the refund statute of limitations period in the event that the period expires before the end of the one-year period beginning on the date of enactment.
- [24] Effective for taxable years of foreign corporations beginning after December 31, 2017, and to taxable years of United States shareholders with or within which such taxable years of foreign corporations end.
- [25] Effective for the last taxable year of foreign corporations beginning before January 1, 2018, and all subsequent taxable years of foreign corporations and for the taxable years of a United States shareholder with or within which such taxable years end.
- [26] Effective for distributions made in taxable years of foreign corporations beginning after December 31, 2017, and for taxable years of United States shareholders with or within which such taxable years of foreign corporations end.
- [27] Effective for taxable years of foreign corporations beginning after December 31, 2019, and to taxable years of United States shareholders with or within which such taxable years of foreign corporations end.
- [28] Increase in outlays of less than \$50 million.
- [29] Repeal provisions are effective for taxable years beginning after December 31, 2025, and reporting requirements and penalties are effective for taxable years beginning after December 31, 2024.
- [30] Negligible revenue effect.
